6	##	NPCI, in pursuit of their employees' dream of owning and setting up a home, extends a scheme under which the employees can avail an Annual Employee Benefit as a fixed percentage (%) of the Home Loan Interest Amount paid by them to the Home Loan Financing Entity. On enrolment to the scheme, 30% of Home loan Interest component will be supported by the organization on completion of successful 1st year, 40% on successfully completion of 2nd year and 50% on successfully completion of 3rd year, the % varies as per the tenure subsequently. This scheme is open to all confirmed employees of NPCI group and its subsidiaries within the eligible limits (subject to not been rated as 1 in last two appraisal cycles, if appraised). NPCI as organization reserves full rights to make changes / withdraw the scheme at any point in time at its own discretion.
7		All employees are eligible for the mobile handset reimbursement in every subsequent block of two years. The reimbursement limits vary band wise. For C & above, employees are eligible since NPCI as organization reserves full rights to make changes / withdraw the benefit at any point in time at its own discretion.
8		Over and above the mentioned CTC components, NPCI also enables its employees to pursue their individual development. The Talent Management philosophy at NPCI believes in customized individual learning for all, the employees are encouraged to create their Individual Development Plan (IDP) in discussion with their Supervisors. The employees, can undertake certification (Formal procedure by which an accredited or certifying agency such as professional association assesses and verifies /attests in writing by issuing a certificate making certain that an individual is qualified in terms of particular knowledge or skills). On clearing the certification exam and producing the relevant certificate, the employees can get the certification fees reimbursed @ Rs 75,000/- per year.
